

CERTIFICATE OF CONFORMANCE

1st. March 2010

RE: European Union (EU) Directive Conformance

This is to certify that all of the materials used in the manufacture of Scholle Corporation products comply with the respective directives listed below;

- ✓ **EU Directive 2002/72/EC (replaces 90/128/EEC) – Food Contact Plastics**
- ✓ **EU Directive 94/62/EC – Heavy Metals in Packaging**
- ✓ **EU Directive 2002/16/EC – BADGE**
- ✓ **EU Directive 2023/2006 – GMPs for materials and articles intended to come into contact with food**

Also, please note that the contact polymer resins used in the manufacture of the supplied bags contain no additives added by Scholle Corporation, and are received as reported by our raw material suppliers.

Please do not hesitate to contact me should you require further information.
