## CERTIFICATE OF CONFORMANCE

1 March 2010

### To Whom it may concern

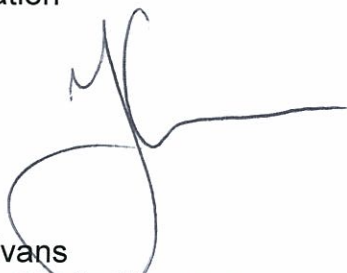

### RE: Genetically Modified Organisms (GMO)

Scholle Industries Pty. Ltd. in consultation with its raw material suppliers have reviewed specifications and ingredients identified for evaluation for possible GMO products.

The materials used in the raw material manufacturing process are natural sources or synthetically produced.

According to the information we have internally and from the suppliers of the raw materials, there are no genetically modified organisms derived products used in the manufacturing of these products.
